Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Park. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to film at Harold A. Henry on 10/30/12.
- Okay to have 2 cast and 30 crew.
- Any electrical lines being used must run them around the planter versus through planters.
- Company must avoid underground irrigation and electrical lines from being broken.
- No driving nails or stakes into the turf.
- Okay to have lights and a generator
- Must not damage turf.
- Okay to have 4 vans.
- No heavy or large equipment permitted to be on turf.
- No staking into ground in park.
- Cannot block roads or pathways in park.
- No special effects, weapons or stunts permitted in park.
- Company must work around park patrons and maintenance crews.
- Company does not have exclusive use of park.
- Company must work around any city staff activities at park.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.

NOT A PERMIT

- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.

SPECIAL FILMING CONDITIONS
WAVERLY DRIVE AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Waverly Drive area consists of single family homes situated on narrow streets with limited parking and visibility. Its boundaries are Waverly Drive, Hyperion Avenue and Rowena Avenue. Filming activities can pose significant problems for nearby residents and traffic through the area. The following Conditions have been established to mitigate the concerns of local residents and to ensure traffic can move through the area safely:

- **The total number of filming days for the Waverly Drive area shall be limited to 40 days per calendar year and a maximum of 10 days at any single location**. Prep and strike days will be considered filming days if the Waverly Drive area is significantly impacted by trucks, crew, or the length and/or nature of the prep or strike activities.

- **Affected residents within 500 feet of all filming activity and/or within 200 feet of equipment parking must be notified at least 2 days in advance of the first filming date or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Filming In the Waverly Drive area also requires that 48-hour advance notification be given to the Los Feliz Improvement Association.** The current contact is Dr. Seligman. His contact number is (323) 665-1408. A copy of the filming permit shall be on-site and must be readily available to any resident for review.

- **A maximum of two (2) equipment vehicles (2 trucks or 1 truck and generator), may be parked on area streets.** They must be parked adjacent to the filming location or in areas approved by FilmL.A.

- **Equipment vehicles may be parked on one side of the street only.**

- **Personal cast/crew vehicles are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- **Catering must be contained on private property.** Sidewalks, parkways, and grass areas may not be used.

- **Production companies may not arrive in area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

- **Weekend and holiday filming is generally prohibited, unless approved by FilmL.A. after a careful review of community concerns identified through FilmL.A. Filming Survey process.**
